1. This memorandum is for your information.

25X1A 2. On 21 January 1963 the DD/R invited to my attention
25X1A the fact that at a recent DCI morning staff conference,
25X1A R. Jack Smith, the ADCI, was exposed at a discussion on Pro-
ject [REDACTED] Dr. Scoville also mentioned that the Deputy Assis-
tant Director, Current Intelligence, [REDACTED]
who conducts the morning Current Intelligence briefing of
the DCI in the absence of [REDACTED] is also in a position
to be present when out special projects might be discussed.

25X1A 5. I checked the clearances of Messrs. Smith and [REDACTED], 25X1A
and I notice that they have SI, T and TKH. I solicited the
25X1A opinion of both [REDACTED] and they both concurred
in the desirability of signing up Messrs. Smith and [REDACTED] 25X1A
since, undoubtedly, other occasions will occur wherein they
will be exposed to our sensitive project information. In
view of this, I have initiated action to have the ADCI and
his Deputy signed up for I, A, C and O to ensure that infor-
mation which comes into their possession through their attend-
ance at the DCI's staff meetings is properly contained.
